Hi Rhonda-

I'm curious as to which ADA is going to be handling the [REDACTED] case scheduled for trial tomorrow (September 15<sup>th</sup>) as I would like to get in contact with him/her to figure out whether they want me on call or if I need to be in Fall River at a set time. Since I would be coming from the Amherst Drug Analysis Lab, it would take me a bit longer to get there than if I was coming from Jamaica Plain (probably about 2:45 total from when I got the call to when I could actually be in the courthouse). Also, I am on call for district court cases in Springfield and Holyoke, though it is doubtful that the Springfield case will go and Holyoke is really good about getting us on and off the stand quickly if needed (I'm normally finished in Holyoke by 11:30). Thank you for all of your help.

-Sonja
